

Unmatched Ordering Platform

Meet CNA, Your Supply Chain's New Best Friend.

Known for Our Endless Customization Capabilities

We build each site as an extension of our customers' brands. Our talented team of site developers is constantly working to improve our site and innovate new features to ensure our platform provides the best user experience for our customers.

SPEND TRANSPARENCY

Instant access to sales data and trends to forecast demand and manage consistency.

ONE-STOP SHOPPING EXPERIENCE

Purchase everything you need for your restaurant across all categories in one, easy-to-use custom e-commerce platform.

USER APPROVALS & CONTROLS

Intuitive approval system allows for simple order approval, permissions and limits per user group or market.

FLEXIBLE CATALOGS

Easily switch between brands for multi-concept operators.

SEAMLESS ROLLOUTS

Whether you are opening a new store or rolling out a new menu item to your locations, place all orders with one click.

SUPPORT YOU CAN COUNT ON
