

Getting Started with CNA

Follow the steps below for account setup!

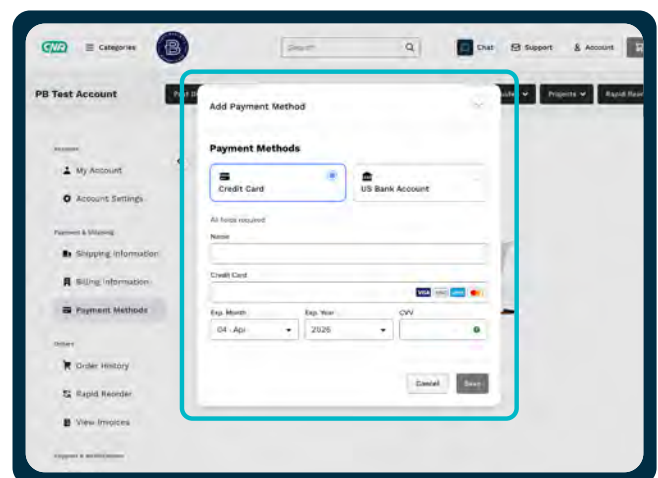

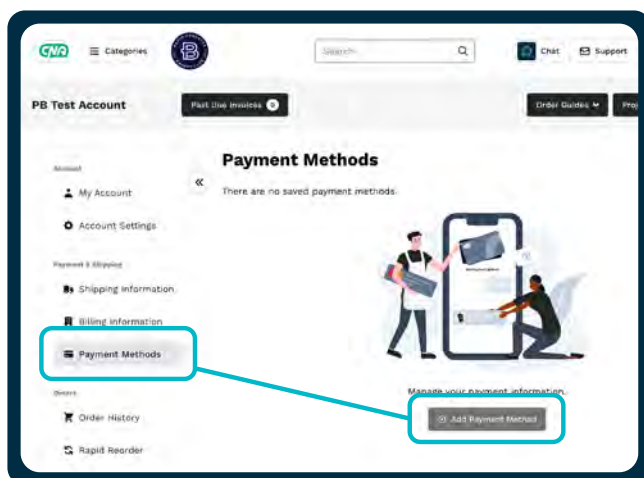

STEP 1

Click [HERE](#) to activate your account and set your password.

STEP 2

Once you set up your password and are logged in, go to “My Account” in the top right corner to add your Billing Information as well as your Payment Methods.

Approved payment methods include credit card and ACH.

From here, you'll be able to access your invoicing and tracking for your orders!
